For the Workman: Shri Bhabatosh Majumdar, Advocate.

AWARD

By Government of West Bengal, Labour Department, order No. 629-I.R./IR/11L-578/79, dated 25th February 1980, an industrial dispute between Messrs. The Sonarpur Kamrabad Co-operative Stores Ltd., P.O. and village Kamrabad, district 24-Parganas and their workman Shri Tapan Dutta, C/o. Shri Gour Dutta, P.O. and village Kamrabad, district 24-Parganas, was referred to this Court, under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

"Whether dismissal of Shri Tapan Dutta is justified? What relief, if any, is he entitled to?"

After receipt of the reference, notices in D/2 form were issued upon the parties. Both the

parties appeared and filed their respective written statements.

The case as made out in the written statement filed by the workman on 25th June 1980 may be stated in short as follows:—

That the workman worked in the Co-operative Stores for about 9 years. The workman is also a Shareholder of the Sonarpur Kamrabad Co-operative Stores Ltd. (hereinafter called the Society). He used to sell commodities of the stores against cash memo and would deposit the daily sale proceeds to the Treasurer as per his direction. Thereafter the Treasurer would make entry in the Cash Book and the workman would sign in the Cash Book. At the end of month a statement of accounts would be prepared and shortage, if any, in the cash would be recovered from the Salesman concerned. The Treasurer would keep the Cash Book and Vouchers in his custody. From June, 1976 to 1978 Cash Book and cash relating to sell were absolutely in custody of the Treasurer, Saroj Kanti Sinha. For getting rid of misappropriation of money of the Society Treasurer made some falsification of accounts by pen through the figures of the accounts and also by interpretation of figures in the accounts. But such alteration in the figures required signatures of the Treasurer and the Salesman concerned. The said Treasurer altered the figures of the amount deposited on 9th April 1978 and later on asked the workman to sign it. Then by a letter, dated 15th July 1978, the workman intimated the Secretary about this fact. Thereafter on 25th July, 1978, Shri Sitesh Chowdhury the then Secretary of the Society issued a charge-sheet to the workman alleging therein that the workman had not deposited Rs. 52.78p. for the month of April 1978, Rs. 982.26p. for the month of May 1978 and Rs. 159.33p. for the month of June 1978. Thereafter the concerned workman sent a reply to the charge-sheet alleging therein that the allegations of non-depositing of Rs. 159.33p. for the month of June 1978, was baseless. In that reply the concerned workman has also denied other charges. Thereafter the Management decided to hold a domestic enquiry against the concerned workman and directed the concerned workman to appear before the Commission. Before that Enquiry Commission the concerned workman submitted one objection alleging therein the Commission was not properly held and not in accordance with the resolution passed by the Board of Directors of the Society. But his objection was also not recorded. The concerned workman was not given any opportunity to defend himself in that enquiry nor the principles of natural justice were observed by the Commission. The workman was forced to sign the papers produced before him by the members of the Commission. The dismissal of the concerned workman is illegal and not in conformity with the rules and regulations of the Society. Therefore the concerned workman prays for reinstatement with full back wages.

The Society by filing written statement on 24th October 1980 has denied all the material allegations made by the concerned workman in his written statement. It is further alleged by the Society that the concerned workman is guilty for defalcating huge amount of money of the Co-operative Stores. It is further alleged that a criminal case was started against the concerned workman being Case No. 11, dated 7th May 1979, under section 403 I. P. C. and thereafter all the relevant documents were seized by the Police and that criminal case had not been disposed of. During the pendency of such criminal case the Labour Department has made this present reference without considering the entire matter. It is further alleged that the present dispute cannot be treated an industrial dispute as the workman himself one of the share-holders of the Society. It is further alleged that the domestic enquiry Commission was set up under the Chairmanship of S. P. Chakraborty, by resolution passed by the Society. It is further alleged that the concerned workman maintained all records of the Stores from 29th March 1978 to 14th April 1978, in addition to his own duty. It is further alleged that after the enquiry was held by the Enquiry Commission it was decided that the concerned workman is liable to pay a sum of Rs. 1.035. It is further denied that the Enquiry Commission was not properly framed and that the natural justice was not done, to the concerned workman. It is further alleged that the Commission was lawfully constituted and the concerned workman participated in that Enquiry Commission for all the days. It is further denied that the concerned workman was not given any opportunity to defend himself in the Commission. In the circumstances the Stores prays for dismissing the case.

From the record it will appear that even after filing written statement the Society has not contested the case ultimately and as a result the case was heard ex parte vide order No. 38, dated 18th July 1984 and 39, dated 24th August 1984.

The workman states in examination in chief "As in that Enquiry Commission I was not heard nor I was allowed to make my submission so I submitted those two objections. After that the Enquiry Commission was over the Management dismissed me from the service by a letter. It is that letter (marked Ext. 6). My monthly salary was Rs. 160. I pray for reinstatement and back wages. I was illegally dismissed by the authority." It is needless to mention that the evidence of the workman as quoted above has gone unchallenged as the hearing of the case is taken ex parte. So, I find no scope to disbelieve the evidence of the workman as quoted above. Therefore on the face of the aforesaid portion of the evidence of the concerned workman it cannot be presumed by the Court that the alleged domestic enquiry has been held against the concerned workman legally and properly and after imparting of the natural justice to concerned workman. Further nowhere from the record it appears that the Society has not filed any paper relating to such enquiry in this case.

From the letter of dismissal, dated 11th March 1979, purported to have been issued under the signature of the then Secretary to the concerned workman (Ext. 6) it appears that the Society has

taken the decision for dismissal of the concerned workman on the basis of report of the Enquiry Commission. But here such report is not available nor the ex parte evidence of the concerned workman denying the legal validity and propriety of such Commission has been challenged. In such circumstances I find no scope to hold that the dismissal of service of the concerned workman is justified. From the record it further appears that by a letter, the copy of which is marked Ext. 1, the concerned workman has prayed for justice to the Management denying the allegations made against him. From that copy it further appears that the concerned workman has also denied the correctness of the accounts. From another document (Ext. 3) it further appears that the concerned workman has demanded justice from the Society. From another letter addressed to the Chairman of the Enquiry Commission by the concerned workman (Ext. 5), it further appears that the concerned workman has made various counter allegations regarding propriety and correctness of the accounts of the Society as shown by the Management.

Therefore, on the face the documents and the evidence of the concerned workman as discussed above I find that the dismissal of the concerned workman made by the Society is not justified. So he is entitled to reinstatement with back wages. Hence it is ordered that the Society is directed to reinstate the concerned workman and to pay him all the back wages within 30 days from the date of the award.

This is my award. The instant reference is thus disposed of.

STATEMENT OF OBJECTS AND REASONS.

Clause (*b*) of sections 8, 97 and 142 of the West Bengal *Panchayat* Act, 1973 provides that a person shall not be qualified to be a member of a *Gram Panchayat*, *Panchayat Samiti* or *Zilla Parishad*, as the case may be, if he is in the service of the Central or the State Government or a *Gram Panchayat* or a *Panchayat Samiti* or a *Zilla Parishad*.

For the purpose of making the above provisions more clear and unambiguous, it is considered expedient to provide expressly as to which category of persons shall not be deemed to be in the service of the Central or the State Government.

As the West Bengal Legislative Assembly was not in session and as the matter was considered extremely urgent, an Ordinance, namely, the West Bengal *Panchayat* (Amendment) Ordinance, 1985, suitably amending sections 8, 97 and 142 of the West Bengal *Panchayat* Act, 1973, was promulgated.

The Bill seeks to continue the provisions of the said Ordinance.

The 13th February, 1985.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 542-L.—21st March, 1985.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 8 of 1985

THE NORTH BENGAL UNIVERSITY (AMENDMENT) BILL, 1985.

A BILL

to amend the North Bengal University Act, 1981.

WHEREAS it is expedient to amend the North Bengal University Act, 1981, for the purpose and in the manner hereinafter appearing; West Ben. Act XXV of 1981.

It is hereby enacted in the Thirty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the North Bengal University (Amendment) Act, 1985.

(*2*) It shall be deemed to have come into force on the 6th day of March, 1985.

Amendment of section 57 of West Ben. Act XXV of 1981.

2. In section 57 of the North Bengal University Act, 1981 (hereinafter referred to as the principal Act), in sub-section (*4*),—

(*1*) in clause (*a*), for the words "not exceeding eighteen months", the words "not exceeding two years" shall be substituted and shall be deemed always to have been substituted;

(*2*) in clause (*b*), for the words "not exceeding eighteen months", the words "not exceeding two years" shall be substituted and shall be deemed always to have been substituted.

The North Bengal University (Amendment) Bill, 1985.

(Clause 3.)

Repeal and saving.

3. (*1*) The North Bengal University (Amendment) Ordinance, 1985 is hereby repealed. West Ben. Ord. II of 1985.

(*2*) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the North Bengal University (Amendment) Ordinance, 1985 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

The term of the present Vice-Chancellor appointed under section 57 of the North Bengal University Act, 1981 was due to expire on the 15th March, 1985. Sub-section (*5*) of section 57 of the Act implies that a date should be appointed by the time the present Vice-Chancellor relinquished his charge so that the North Bengal University Act, 1981 became effective from that date. That means with effect from the "appointed date" the University with its authorities constituted under the new Act should commence functioning under the Statutes, the Ordinances and the Regulations duly reviewed or amended. The review and amendment of the Statutes, the Ordinances and the Regulations were complete and the constitution of various authorities, i.e., the Court, the Executive Council, the Faculty Councils for Post-graduate Studies and the Councils for Undergraduate Studies had also been done except in cases where such elections and election procedures had been challenged in the Hon'ble High Court and the results had been kept in abeyance under an injunction. In view of the cases pending in the High Court, the University could not hold any election to constitute the Boards of Studies and these authorities have not yet been formed at all. Expert legal opinion since obtained asserts that there is no injunction on the appointment of the date. The Act also provides that vacancies occurring incidentally do not invalidate the functioning of any authority. The University are now going ahead with the elections related to the constitution of the various Boards of Studies. Inspite of that it had not been possible to appoint the said date and have a Vice-Chancellor appointed under sub-section (*1*) of section 9 of the Act by the 15th March, 1985 so that he might be in office on the 16th March, 1985. It, therefore, became imperative that the period allowed to the Vice-Chancellor appointed under the transitory provision for completing all preliminaries before appointment of the date under sub-section (*5*) of section 57 should be extended for a further period of six months by an amendment of the Act.

As the matter was considered very urgent and as the West Bengal Legislative Assembly was not in session, an Ordinance, namely, the North Bengal University (Amendment) Ordinance, 1985 (West Ben. Ord. II of 1985) was promulgated to achieve the purpose.

The Bill seeks to continue the provisions of the said Ordinance.

(ii) a specific addition to the work or responsibility, or

(iii) the unhealthiness of the locality in which the work is performed;

(c) "personal pay" means additional pay granted to an employee of the Board to save him from a loss of substantive pay due to a revision of pay or to any reduction of pay otherwise than as a disciplinary measure or in exceptional circumstances or other personal consideration;

(d) "leave salary" means the amount paid by the Board to an employee of the Board on leave;

(e) "servants" include employees holding appointments under the Board excluding the teachers in Primary Schools;

(f) "leave" includes earned leave, leave on private affairs, leave on medical certificates and extraordinary leave;

4. Unless the Board shall otherwise determine, a servant in permanent employ shall cease to be in service of the Board if he is continually absent from duty for five years whether with or without leave unless such absence is absence on other service in India.

5. Any kind of leave under these rules may be granted in combination with or in continuation of any other kind of leave.

6. No leave shall be granted to a servant beyond the date on which the Board decide to compulsority retire him.

7. The earned leave admissible to a servant, either in temporary or in permanent employ, is 2½ days for completion of each calender month subject to the condition that where the earned leave due amounts to 180 days, he shall cease to earn such leave. For the purpose of convenience, 15 days, earned leave shall be added to the credit of the servant on 1st January and 1st July each year in advance. Such credited leave to be reduced by 1/10th of the period of extraordinary leave available during the previous half year, subject to the condition that such reduction shall not exceed maximum of 15 days.

8. (1) The half pay leave admissible to a servant in respect of each completed year of service is 20 days to be reckoned from the date of appointment in the Board's service:

Provided that no half pay leave shall be granted to a servant in temporary employ unless the authority competent to sanction the leave has reasons to believe that the incumbent will return on duty on its expiry except in the case when the employee has been declared completely and permanently incapaciated for further service by a competent medical authority, Chief Medical Officer of Health or District Medical Officer.

(2) The half pay leave due may be granted to a servant on medical grounds or on private affairs.

Provided that no commuted leave may be granted unless the authority competent to sanction leave has reasons to believe that the servant will return on duty on its expiry.

9. Extraordinary leave may be granted to any servant in special circumstances—

(a) when no other leave by rule is admissible, or

(b) when other leave is admissible, but the servant concerned applies in writing for the grant of extraordinary leave.

10. Except in the case of a servant in permanent employ, the duration of extraordinary leave shall not exceed three months on any one occasion. When such servant fails to join his duties after remaining absent for a continuous period of three months, he shall be deemed to have resigned his appointment and shall accordingly cease to be in Board's employ unless the Board determines otherwise.

11. Extraordinary leave in the case of a servant in permanent employ shall be limited to one year at a time except in exceptional circumstances, but such leave shall not count towards increment. The sanctioning authority shall have the power to grant extraordinary leave in combination with, or in continuation of, any leave that is admissible and may commute retrospectively periods of absence without leave into extraordinary leave.

12. A servant on earned or commuted leave is entitled to leave salary which is equal to salary last drawn by him before proceeding on leave. Increment or increase in pay during leave period will also be admissible.

Singh 87/2 Girish Ghosh Road, Belur, Howrah, regarding the issue mentioned in the said order, being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (14 of 1947), was referred for adjudication to the Seventh Industrial Tribunal, West Bengal;

ANNEXURE

In the matter of an industrial dispute between Messrs. Lakshmi Timber Merchants, 1 Ashutosh Mukherjee Road, Belur, Howrah and their workman, Shri Bhagwan Das, C/o. Shri Madan Kr. Singh, 87/2 Girish Ghosh Road, Belur, Howrah, as referred under G. O. No. 1948-I.R. /R/11L-187/84, dated 1st August 1984. (Case No. VIII-219/84.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL : WEST BENGAL

Present :

Shri H. N. CHOUDHURY, Judge
Seventh Industrial Tribunal.

AWARD

The Government of West Bengal in its Labour Department, by Order No. 1948-I.R /IR/11L-187/84, dated 1st August 1984, referred an industrial dispute between Messrs. Lakshmi Timber Merchants, 1 Ashutosh Mukherjee Road, Belur, Howrah and their workman, Shri Bhagwan Das, C/o. Shri Madan Kr. Singh, 87/2 Girish Ghosh Road, Belur, Howrah under section 10 read with sec. 2A of the Industrial Disputes Avt, 1947, to this Tribunal for adjudication on the following issue :

Issue

Whether the termination of service of Sri Bhagawan Das is justified ? To what relief, if any, is he entitled ?

On receipt of the above reference usual notices were issued to the parties concerned fixing 29th September 1984 for appearance. The workman appeared on 29th September 1984 and a date, i.e., 29th October 1984, was fixed for filing written statement by the workman. On that date, i.e.,

29th October 1984 the written statement was filed by the workman; and the date 14th November 1984 was fixed for filing written statement by the Company. Ultimately, after some adjournments, the Company did not file any written statement, but on 5th January 1985 both sides filed a joint petition of compromise stating that the matter has been settled amicably and praying for passing an Award in terms thereof. I also examined the workman concerned verbally who admitted to have received the amount as agreed upon in the joint petition of compromise. Originally the date of the case was fixed on 21st January 1985 for filing written statement. But on 5th January 1985 on filing of the joint petition of compromise, a date was fixed on 8th January 1985 for orders.

On that day this day was fixed for orders.

Perused the joint petition of compromise. I heard both the parties. Workman concerned was also personally present on 5th January 1985 along with the representative of both sides. The workman concerned admitted before the Tribunal that he received the amount as mentioned in the terms of the joint petition of compromise. They also submitted that the matter has been amicably settled in between the parties and there exists no further dispute in between the parties. The joint petition of compromise has been signed by Sri Kanailal Yadav on behalf of the Company and thumb impressed by the workman, Shri Bhagwan Das as it appears. This joint petition of compromise also appears to have been signed by the representative, Shri P. K. Mukherjee on behalf of the Company and by the representative Shri Madan Kr. Singh on behalf of the workman. The terms of the joint petition of compromise appears to me quite satisfactory, fair and reasonable. It is also seen that the matter has been finally settled and the dispute is finally settled between the Company and the workman.

Considering the cimcumstances of the case I am of opinion that this is a fit case wherein an award should be passed on the basis of the joint petition of compromise. Accordingly an award is passed in terms of the joint petition of compromise which do form part of the Award.

This is my award.

Bill No. 18 of 1985

THE CODE OF CRIMINAL PROCEDURE (WEST BENGAL AMENDMENT) BILL, 1985.

A

BILL

to amend the Code of Criminal Procedure, 1973, in its application to West Bengal.

WHEREAS it is expedient to amend the Code of Criminal Procedure, 1973, in its application to West Bengal, for the purposes and in the manner hereinafter appearing; 2 of 1974

It is hereby enacted in the Thirty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Code of Criminal Procedure (West Bengal Amendment) Act, 1985.

(2) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Application of the Act.

2. The Code of Criminal Procedure, 1973 (hereinafter referred to as the principal Act) shall, in its application to West Bengal, be amended for the purposes and in the manner hereinafter provided.

The Code of Criminal Procedure (West Bengal Amendment) Bill, 1985.

(Clauses 3—5.)

Amendment of section 9 of Act 2 of 1974.

3. To sub-section (*3*) of section 9 of the principal Act, the following provisos shall be added:—

"Provided that notwithstanding anything to the contrary contained in this Code, an Additional Sessions Judge in a sub-division, other than the sub-division, by whatever name called, wherein the headquarters of the Sessions Judge are situated, exercising jurisdiction in a Court of Session, shall have all the powers of the Sessions Judge under this Code, in respect of the cases and proceedings in the Criminal Courts in that sub-division, for the purposes of sub-section (*7*) of section 116, sections 193 and 194, clause (*a*) of section 209, clause (*c*) of sub-section (*3*) of section 374 and sections 381, 382, 384, 385, 389, 397, 398, 399, 408, 409, 439 and 449:

(*iii*) any case other than those mentioned in clauses (*i*) and (*ii*), the investigation is not concluded within a period of two years

from the date on which the accused was arrested or made his appearance, the Magistrate shall make an order stopping further investigation into the offence and shall discharge the accused unless the officer making the investigation satisfies the Magistrate that for special reasons and in the interests of justice the continuation of the investigation beyond the periods mentioned in this sub-section is necessary.";

STATEMENT OF OBJECTS AND REASONS.

The purpose of the establishment of courts of Additional Sessions Judge in some outlying sub-divisions is to give relief to the litigant public of those sub-divisions. But the litigants cannot derive the full benefits as the powers of the Additional Sessions Judge are limited under the existing provisions of the Code of Criminal Procedure, 1973. The hardship of the litigants can be mitigated if the Additional Sessions Judges of the outlying sub-divisions can be made, by making suitable amendments in the provisions of the relevant section of the said Code, to exercise the powers of the Sessions Judge so far as the cases arising out of the offences committed in such sub-divisions are concerned.

Further, in order to expedite investigations in the pre-trial and pre-commitment proceedings and to stop dilatory tactics during the trial, it is also necessary to make suitable amendments in the relevant sections of the said Code.

The Bill seeks to enact the proposed amendments in the Code of Criminal Procedure, 1973.

NOTIFICATION

No. 762-L.—25th April, 1985.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 19 of 1985

THE CODE OF CRIMINAL PROCEDURE (WEST BENGAL SECOND AMENDMENT) BILL, 1985.

A

BILL

to amend the Code of Criminal Procedure, 1973, in its application to West Bengal.

WHEREAS it is expedient to amend the Code of Criminal Procedure, 1973, in its application to West Bengal, for the purpose and in the manner hereinafter appearing; 2 of 1974.

It is hereby enacted in the Thirty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (1) This Act may be called the Code of Criminal Procedure (West Bengal Second Amendment) Act, 1985.

(2) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Application of the Act.

2. The Code of Criminal Procedure, 1973 (hereinafter referred to as the principal Act) shall, in its application to West Bengal, be amended for the purpose and in the manner hereinafter provided.

The Code of Criminal Procedure (West Bengal Second Amendment) Bill, 1985.

(Clause 3.)

Amendment of section 25 of Act 2 of 1974.

3. For sub-section (*3*) of section 25 of the principal Act, the following sub-section shall be substituted:—

'(*3*) Where no Assistant Public Prosecutor is available for the purposes of any particular case, any advocate may be appointed to be the Assistant Public Prosecutor in charge of that case,—

(*a*) where the case is before the Court of a Judicial Magistrate in any area in a sub-division wherein the headquarters of the District Magistrate are situated, by the District Magistrate; or

(*b*) where the case is before the Court of a Judicial Magistrate in any area in a sub-division, other than the sub-division referred to in clause (*a*), wherein the headquarters of the Sub-divisional Magistrate are situated, by the Sub-divisional Magistrate; or

(*c*) where the case is before the Court of a Judicial Magistrate in any area, other than the area referred to in clauses (*a*) and (*b*), by a local officer (other than a police officer) specially authorised by the District Magistrate in this behalf.

Explanation.—For the purposes of this sub-section,—

(*i*) "advocate" shall have the same meaning as in the Advocates Act, 1961; 25 of 1961.

(*ii*) "local officer" shall mean an officer of the State Government in any area, other than the area referred to in clauses (*a*) and (*b*).'.

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the Code of Criminal Procedure, 1973, where there is no Assistant Public Prosecutor appointed by the State Government for a court of the Magistrate under section 25(*1*) of the Code, the District Magistrate of that particular area is required to appoint an Assistant Public Prosecutor for each particular case in the concerned court of the Magistrate under section 25(*3*), *ibid.* Such being the position a reference is necessarily made each time to the District Magistrate as soon as a prosecution case is started to obtain the appointment of an Assistant Public Prosecutor under section 25(*3*), *ibid.* which causes some unnecessary lapse of time between the institution of the case and the appointment of the Assistant Public Prosecutor contributing to delay in the proceedings. This causes hardship to the accused person who has to attend the court on several dates fruitlessly until the appointment of the Assistant Public Prosecutor from the District Magistrate reaches.

With a view to removing the element of delay in the proceedings and the harassment to the accused person as detailed above, it is expedient to decentralise the power to appoint the Assistant Public Prosecutor under section 25(*3*), *ibid* by making amendment therein so as to empower the Government Officer on the spot, as far as practicable, to appoint the Assistant Public Prosecutor under the Code.

The Bill seeks to enact the proposed amendment in the Code of Criminal Procedure, 1973.
